PROJECT

Mockup to Website

Rohit,

Congratulations on submitting your Mockup Website project. There are only a few items that need to be addressed in order to meet specifications. We have a few suggestions that should help you resolve these items, please see our comments below.

We look forward to seeing what you come up with next!

Amanda

Udacity Coach

Evaluator**Does Not Meet Specifications**

- Code does not pass the auto-evaluator with a mismatch of less than 8%.
- **Error Message:** There are problems with your submission. Please fix them before submitting for grading:

index.html contains references to unsupported resources.

External resources and different paths for bootstrap and image are not supported in the test environment.

Resource referenced at line number 8:

`<link rel='stylesheet'`

`href='http://fonts.googleapis.com/css?family=Lato:300'>`

Separation of Concerns**Meets Specifications**

- Portfolio completely separates structure (HTML) from design/style (CSS).

Code Quality**Meets Specifications**

- Code passes the [W3C HTML](#) validator.
- Code passes the [CSS](#) validator.
- Code is formatted to align with the Udacity HTML/CSS style guide.
